Dear [redacted],

25X1

At the suggestion of [redacted] I am writing this letter to give you the latest available information concerning your claim for transportation costs to Kauai for your dependents and household goods.

25X1

As you will note by the attached copy of a letter from the office of the Chief of Finance, Department of the Army, your claim was forwarded for settlement to the General Accounting Office on or about 24 May 1948. That office is the final authority in such cases and the answer received will close the case. Of course we have no way of knowing what their decision will be nor when it will be received. Past experience has proved, however, that about six months are usually required for such a determination. This should be on or about 1 December 1948. This office will notify you promptly if the decision of the General Accounting Office is made known here.

As you will recall, during my visit to Kauai last February I told you that I would see that every effort would be made to assist you in a proper settlement of your claim. I can assure you that this has been done.

Please extend my regards to your family.

Yours sincerely,
